

Dear Friend,

You have prayed for your loved one who is incarcerated. We pray for your loved one who is incarcerated. And sometimes we ask what more we can do to keep them encouraged and uplifted; perhaps they have found God and pray that they can continue to keep Him in their hearts and follow His path through the struggles that they will face behind bars and once they have been released.

One thing that they can do is to follow God by immersing themselves in His word. We have been producing monthly Bible Studies for inmates for more than a year now. Each one has a question from each chapter in the Bible, a monthly nugget with an inspiring and thought-provoking message, and some sort of fun and engaging crossword or word puzzle. There are multiple ways it engages inmates to be in the Word daily.

If your loved one would like to have the opportunity to receive our monthly Bible Study please have them request it through their Chaplain who can either write to us via mail or email or through our website, [www.freeprisonbooks.org](http://www.freeprisonbooks.org), and select Bible Study from the menu. Note—the request needs to come from the Chaplain or Prison Administrator of the institution as the Bible Studies are sent directly to a prison employee in multiples of 50 so they can be distributed to as many inmates as possible.

Yours in Christ,

Pastor Frank M. Bafford, Sr.
