

Dear Friend,

I would like to start by giving you an update on the new book. We are behind schedule in getting it out. We've had some unfortunate delays that were beyond our control, but we are actively working to get it out. Please stay in prayer with us in regards to this.

Be encouraged that God is doing everything to reach your loved on behind bars. Recently, we were at a prison crusade and once we arrived at the institution another prison ministry team was there and scheduled to have a service at the same as ours. We ended up ministering as a team with this other group and had an awesome service. We ended up going to lunch together and upon sitting down to eat, we found yet another prison ministry group eating at the same restaurant. So, we had three prison ministry teams in this restaurant at one time and we took over the place for Jesus. We prayed in a big circle, with everyone holding hands and it was a site to behold. We all left the restaurant encouraged and ready to continue to fight the Good Fight of Faith.

Just know that there are some awesome ministries going behind bars to reach your loved one and that God has laborers directly assigned to reach them.

Yours in Christ,

Pastor Frank M. Bafford Sr.
